

OED ile her
yerde hayata
tutun..

OED nedir?

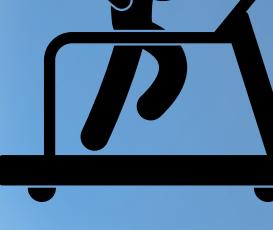

Kalp krizi geçiren bir kişiye, herkesin kolaylıkla uygulayabileceği, portatif ve otomatik şok cihazıdır. Sağlık personelinin müdahalesine kadar hastayı hayatı tutar. İşyerleri, ibadethaneler, oteller, spor salonları, konser salonları, şantiyeler vb. kalabalık mekanlarda OED cihazı bulunmalıdır.
